

SKETCHES FROM THE FRONT LINES

Written by Dr. Jillian Horton Illustrated by G.M.B. Chomichuk
with Lettering by Lyndon Radchenka

Ontario Medical Association Physician Health Program is pleased to collaborate with Dr. Jillian Horton on this project. Conveying physician experiences and narratives during the COVID19 pandemic serves to document experiences and share powerful narratives for a profession at a time when full focus is on doing the job, taking care of patients and each other.

If you are a physician, resident or medical student in Ontario and you would like support please call or email confidentially 1-800-851-6606

I'M MICHELLE
HLADUNEWICH. I'M THE CHIEF
OF MEDICINE AT SUNNYBROOK
HEALTH SCIENCES CENTRE
IN TORONTO.

IN 2003, I GOT
SARS. IT WAS EASTER
SUNDAY AND I HAD BEEN
COVERING THE **SARS**
WARDS.

I THINK
I HAVE A
FEVER.

"MY CHILDREN ARE *SO SMALL* AND I CAN'T HUG THEM. I
CAN'T HELP THINKING, AM I GOING TO BE ON A VENTILATOR
AND NEVER COME BACK? I WENT STRAIGHT IN FOR ADMISSION.
FROM DOCTOR TO PATIENT, *JUST LIKE THAT*."

"I DIDN'T HAVE A **COMPUTER**. I DIDN'T HAVE A
PHONE, EVEN A **BOOK**. FOR 7 DAYS I WAS IN
THAT ROOM IN SOLITARY CONFINEMENT WITH
ABSOLUTELY NOTHING BUT MY OWN THOUGHTS."

"I THINK IN TORONTO WE HAD A MUCH BETTER SENSE OF
HOW BAD **COVID19** COULD BE BECAUSE OF **SARS**. IN A WAY
WE WERE MORE PREPARED FOR OURSELVES AND FOR OUR
PATIENTS--BUT WE ALSO HAD MORE ANTICIPATORY
FEAR--MAYBE MORE THAN IN OTHER PARTS OF THE WORLD."

"AFTER *SARS*, I EXPERIENCED CHRONIC FATIGUE SYNDROME SYMPTOMS FOR *SEVERAL MONTHS*."

"SO WHEN WE GOT THE FIRST COVID CASE...I STARTED GETTING DREAMS AGAIN. REMEMBERING BEING BACK IN THE HOSPITAL. THERE WAS SOME FLASHING BACK."

"AND STRANGELY THERE WAS ALSO SOME COMFORT. I FOUND MYSELF THINKING...I WENT THROUGH THIS ONCE BEFORE AND IF I HAVE TO--I CAN GO THROUGH IT AGAIN."

"TODAY, I WAS SEEING A NEW PATIENT--WITH A NEW DIAGNOSIS OF LUPUS. SHE DOESN'T KNOW WHAT LUPUS IS. WE'RE TRYING TO TALK BY PHONE WITH A TRANSLATOR. NEITHER OF US CAN SEE EACH OTHER...OR OUR EXPRESSIONS..."

"IT'S HARD TO SHOW EMPATHY THROUGH THE PHONE. WE'RE GOING TO GET THROUGH THIS TOGETHER--I'LL BE THERE FOR HER. I WANT HER TO KNOW THAT. BUT SO MUCH OF WHAT I'M TRYING TO CONVEY IS *LOST*."

"MY OWN DAUGHTER HAD A HEALTH EMERGENCY
A FEW WEEKS AGO. IT WAS TERRIFYING.

"I HAD TO JUST DROP HER
OFF AT THE DOOR TO ER...AND NOT GO
IN. I AM SO GRATEFUL FOR THE TRIAGE
NURSE IN ER WHO MANAGED TO GET HER
INTO A ROOM FOR ASSESSMENT

"AND LET'S FACE IT--I AM THE PIC* AND PART OF THE SYSTEM. I KNOW
ALL THE STAFF AND THEY KNOW ME. WHAT HAPPENS WHEN FAMILIES
DROPS OFF CONFUSED OR NON-ENGLISH SPEAKING SICK PATIENTS? HOW
DO THEY NAVIGATE IT? JUST IMAGINE THE WORRY AND THE TERROR.

"THERE'S A
BANALITY TO IT ALL.
GOING TO WORK IN A
PANDEMIC -- YOU COULD
SPEND ALL DAY ON ZOOM. YOU
FORGET HOW NICE IT WAS TO GO TO A
CLINIC AND SIT WITH PEOPLE, CHAT AND EAT
TOGETHER -- EVERYTHING HAS BECOME HARD.
IT FEELS HARD TO EVEN KNOW WHAT DAY IT IS.

"THERE IS THIS EXTRA BURDEN ON HEALTHCARE TEAMS WHO ARE
OFTEN FEELING DRAINED OF ENERGY AND EMPATHY. I ACTIVELY
REMINDE MYSELF WITH EVERY ENCOUNTER AND TRY TO REMIND OUR
LEARNERS - NOW MORE THAN EVER -- WHAT IF THIS WAS MY OWN
FAMILY? HOW WOULD I WANT THEM TO BE CARED FOR?

"THAT'S THE CARE WE HAVE TO PROVIDE."

technical specifications for infusion devices

OMA

"OUR **LEARNERS** ARE STRESSED. OUR **DOCTORS** ARE STRESSED. **MANY** AREN'T DOING MEDICINE IN THE USUAL WAY AND MANY ARE AT HOME.

"BUT WE ARE ALSO **LUCKY**. TOGETHER WE'RE ALL FOCUSING ON THE SINGLE COMMON DENOMINATOR THAT WE'RE ALWAYS RALLYING AROUND.

"I KNOW OUR LEARNERS ARE WORRYING ABOUT THE IMPACT ON THEIR TRAINING. I LET THEM KNOW THAT YOU **ARE** LEARNING--THIS IS AN INCREDIBLE LEARNING EXPERIENCE. IT'S JUST NOT WHAT YOU THOUGHT YOU'D BE LEARNING.

"I WOULD **NEVER** HAVE CHOSEN TO HAVE **SARS**--NOBODY WOULD. NO QUESTION ABOUT IT, I LEARNED SOME POWERFUL LESSONS FROM IT.

"WHAT'S IMPORTANT IS YOUR FAMILY, YOUR COLLEAGUES, YOUR PATIENTS. IT'S A SLOW MOVE FORWARD, A LOT OF HURDLES.

If you are a physician, resident or medical student in Ontario and you would like support please call or email confidentially
